THE BEE HIVE.
Great Reduction in Ladies' Trimmings and Hats!

In a few days we will need the space devoted to our Millinery Department for a display of holiday goods. In order to make the requisition on our customers we have given our entire trimmings and hats a 25 per cent reduction. The goods are marked down to \$1.50, then to \$1.00, and the \$1.00 and \$1.50 are now being sold at 75 cents. They are made of superior quality, and are being sold at the very lowest price. There are about forty hats left of several hundred. You have to come soon if you would a chance at 'em.

Ladies' and Misses' Mackintoshes.
These reached us but a few days ago, and are splendid values. They come in blue and Tan Covert Cloths with fancy plaid linings. The ladies' garments are made with the new Victoria Gait. Prices \$1.00, \$1.50 and \$2.00.

Underpriced Umbrellas.
We are showing a splendid plaid umbrella with the newest of handles at \$1.50. In colored silk we have the very best at \$1.00 and \$1.50, worth fully \$2.00 and \$3.00 respectively. A special lot of British Umbrellas, made with a high grade of glass, steel rod and Dresden handles, is marked 50c instead of \$1.00.

We are constantly receiving new additions to our Cloak and Collarette Department. We warrant you'll find our prices at least 30 per cent under others. All prices marked in plain figures.

ROSENAU BROS.,
KINGS OF LOW PRICES. PROPRIETORS BEE HIVE

Mr. W. H. Cox will be the leader at the Y. M. C. A. rally tomorrow afternoon at 8 o'clock. Tonight at 7 o'clock Mr. Swadlow will give his life's story. Let everybody attend these services.

Mr. Harry M. Crawford of this city left yesterday morning to accept a position on the steamer City of Cincinnati.

Last week some lover of flowers removed all the case bushes from the yard of the residence of Dr. T. H. Smith on East Third street, and last night eleven more disappeared. They were dug up by the roots and carried away. The doctor will present any one with a \$10 note who will find the guilty parties.

There were eight additions, three by contribution and five by letter, to the Christian Church last evening. Rev. E. L. Powell preaching to one of the largest audiences yet present during the series of meetings. Rev. Powell left this morning for his home at Louisville, called to conduct the funeral of Mr. Charles Terry, a member of his congregation. Rev. Howard T. Cox will conduct the meeting a few days longer.

POSTOFFICE BUSINESS.
Mass of Mail Handled Last Month by the Maysville Office.

For the past thirty-five days the Postoffice officials, under an order from the Department, have been weighing the mail originating in and sent from each office.

As a result, THE LEADER is able to give the amount handled by the Maysville office, kindly furnished by Deputy Postmaster Sam T. Hickman.

	Pounds.	Oz.
Total first class matter originating in office	796	10
Total first class matter shipped by railroad	955	14
Total second class matter, papers, originating in office	1,000	15
Total second class matter shipped by railroad	1,093	16
Total third and fourth class matter originating in office	355	5
Total third and fourth class matter shipped by railroad	397	6
Total weight of all, including sacks, touches, boxes and surplus equipment	5,077	75

The total number of letters originating in the office for 35 days was 47,350, an average per day of 1,352.

THE COLEMAN CASE.
The Court Will Do Its Duty—Let Mason Countenance Do the Same.

The LEADER regrets to observe a disposition on the part of some newspaper men to renew the excitement following the brutal murder of Mrs. Molly Lashbrook by Judge Coleman.

This paper, shortly after the occurrence, expressed the belief that the Court would promptly mete out proper punishment to the murderer so far as the law of man can provide punishment for such a wretch.

The murderer has already been indicted by the Grand Jury.

There is now a clamor for Judge Harbison to fix the date of trial and to have the prisoner brought here from Covington.

In this connection Judge Harbison is acting wisely. His desire is to leave no peg on which Coleman's attorney can hang a hope. The docket of his Court is crowded; and were he to advance Coleman's case it might furnish a pretext for reversal of whatever verdict might be rendered.

Let us trust Judge Harbison: let us trust a Mason county Jury; let us trust Sheriff Perrin; each and all will do the duty that the law may place upon them.

Let all threats of mob law cease; who in there in this city or county that wants the blood of this vile wretch upon his own hands?

The law takes the way, and the Court will see that no time is lost in considering him to the doom that he deserves a thousand times over.

For five chocolate candies and fruit tablets call at Hay's Postoffice Drugstore.

The Postoffice will be closed between 2 and 4 o'clock this afternoon, the time set for the funeral of the late Vincent Herbert of Patterson, N. J.

In the Circuit Court yesterday thirteen indictments against the Standard Oil Company for peddling without license were continued until the next term.

The LEADER was in error yesterday. Mr. Charles Terry, whose death in Louisville was mentioned, was a resident of the late Dan Spaulding, and not his son-in-law.

If you have a brand new portrait made by the Jeweller's shop is complete with everything you need—Cut Glass, Sterling Silver, Bronze Busts, Art Photographs, Clocks, Tablets, Silver and X-ray Toilet Articles, Call and see my stock; no trouble to show goods.

Miss Orie Mitchell entertained at her home on East Third street with a birthday party in honor of Mrs. Forest Gorman of Covington. A very enjoyable time was spent in playing games and music. After refreshments were served the happy guests returned to their homes.

It is intimated by those connected with the scheme that Judge Thomas K. Plaster of this city will be President of the new Dutch Colony to be located at Westchester, Tenn. Mr. D. C. Frame, also of this place, owns and is that locality and has been in Cincinnati this week negotiating for its sale to the new Colony.

In accordance with the long established custom of our Order the members of Council No. 14, J. O. U. A. M., are requested to meet at their hall tomorrow morning at 9:30 o'clock to attend Thanksgiving services at the Third street M. E. Church.

SEND IN YOUR BOOKS.
Library for the I. O. O. F. Widows and Orphans Home at Lexington.

To secure a library for the Orphans' Widows and Orphans Home at Lexington, Grand Secretary R. G. Elliott this week mailed to the one hundred and eighty Lodges in the state the following postal card:

We need a library at our Widows and Orphans Home. To secure one the Board of Directors of the Home have selected Thanksgiving Day as "book day" for the Home, and every Oddfellow, his wife, children and friends are requested to send books to the same offering. Prepay the postage and express. You are asked to contribute and ask others to give.

M. J. DERRAM, President.
From DeKalb Lodge, Messrs. Allen A. Edmunds, John W. Thompson, J. Harlow Russell and Hal C. Curran were appointed to solicit books in this city.

Any one wishing to donate can leave them at the LEADER office.

BULLY BOWLERS.
"Roper's Rippers" Walked Away Last Night With "Archdeacon's Amateurs."

The match game between members of the Maysville Bowling Club was pulled off last night according to announcement.

The LEADER hasn't it in its heart to glorify over the defeated boys—their feet had enough already.

A large audience witnessed the sport and every one enjoyed it, while the "coaches" were especially happy—until their side went down in ignominious disaster.

The scores—two best in three—were as follows:

Roper's Rippers.

Captain Oscar Herrick is home from Leavenworth, where he was new barges for the United States Army and Navy. At all events, the Toward Relief was ordered to Black's Island to pump out the craft.

The indications for a large stage of water by today are very favorable at Pittsburgh. The Toward Relief may reach a stage of 2 feet at the Davis Levee Dam, and be used for hauling coal, and the other is for carrying stone. Two more barges for the Government will be launched there today.

FRANKFORT, November 24.—There is considerable talk here over the outcome of the election middle, but the consensus of opinion—from Bill Bradley to Bill Goebel—is that the goods of the Frank Owens Herdward Company of Maysville do them any thing. This splendid house, with its big stock and little price, is one of the many things that the people are thankful for.

It will not be a surprise to any who are all familiar with the good qualities of Chamberlain's Cough Remedy to know that people everywhere are realizing their experience in the use of that splendid medicine and in telling of the benefit they have received from it. It has cured of threatened attacks of pneumonia it has averted and of the children it has saved from cough and whooping-cough. It is a grand, good medicine. For sale by J. J. Wood & Son, Drugs.

UNCLE SAM AND GREATER AMERICA
The people of Ohio couldn't swallow John R. McLain; but a Cincinnati boy nearly choked to death on one of his campaign blottings.

It is said that GOEBEL has got a certificate from the State Board of ELIAS says so. This is rough on Judge Taylor or CHARLEY FORT, one of the other, both or—whichever?

The Democratic National Committee is in a wrangle over the adoption of a button to be worn during next year's campaign. What the matter with putting a snake on it and calling it GOEBEL?

Dr. WILL GOEBEL, falls in his theft of the Government of Kentucky, he might get a job from his friend ACHARD BILL and ACHARD would make a nice brace of thieves—with apologies to ACHARD.

"CRAMPION" JAMES J. JEFFRIES has been matched for a prizefight with ex-Champion JAMES J. CORNETH. The fight is booked to take place next September. What a glorious thing it will be if the brutes manage to kill each other.

The vote of Louisville has been counted by the Democratic Commission for General TAYLOR and the Republic can ticket; and the plurality is practically what the Republicans have claimed all along. It is now in order to ask, "Who's been lying to you?"

GOEBEL has run up against another brick wall. His Louisville Election Commission refused to do his bidding by throwing out the vote of that city. He now hopes to have the State Board do the dirty work that his subordinates didn't perform. Will it dare commit such a monstrous outrage?

KEEP your eye on WILLIAM H. COV, State Senator from the counties of Mason and Lewis. He possesses in a large degree the qualities of the most excellent quality—Gump's Gals.

As usual, neighbor, you are very much right. And what a running mate he would make with McKinley in 1900.

AFTER all he has had to say on the subject, it appears that the Government of New York did not know just how to vote, and had to ask for an explanation of the method of voting in Kentucky. Similarly ex-President CLEVELAND tried to vote in the wrong precinct in Princeton and had to be directed to the proper place.—Chicago News.

Nothing strange about that. It isn't the "know how" to vote, but the figure with Democrats. It's the counting of the votes that bewilder them.

In the testimony of Mr. JOHN W. GATES, President of the American Steel and Wire Company, before the Industrial Commission last week, he said there was a time when the best roller in an iron mill got \$20,000 a year, but now the compensation ranges from \$10,000 to \$15,000 with a few receiving the latter figure. Here is a chance, suggests The Courier-Journal, for Senator Jones to prove that there is really no general prosperity. With a reduction of \$5,000 to \$11,000 a year is the wages of a roller, how can it be said that labor is well paid; how can the times be really good?

This indignation meeting held at Maysville Monday by the "good citizens" was largely composed of the most ignorant class. With life and drums and much halabala about as metely a gang of Niggers as ever assembled in the Courthouse gathered and mixed with those who would be in blood nineteen inches deep to purify the elections of Kentucky. It was a disgrace to the citizenship of Mason county, and the best element of the Republican party pronounced it—Deer News.

WAM, how did you find that out? You weren't there; and the fellow who told you that stuff was simply giving you old man. But if you will point to a single Republican of the "best element" that pronounces your statement true, you shall have a free ride in a balloon the very next time you go to Maysville.

\$100 Reward—\$100.
The reader of this paper will be pleased to learn that there is at least one dead-end disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure for this most distressing malady. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is a purely natural, acting directly on the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the system strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for testimonials. Address, F. J. CARR & Co., Toledo, O. THE COMMONWEALTH.
NELSON COUNTY CONTEST.

The Court of Appeals Will Decide on the 1,199 Votes Certified for W. T. Taylor of W. S. Taylor.

FRANKFORT, Ky., Nov. 25.—The court of appeals will render a decision Saturday in the Nelson county contested election case in which 1,199 votes, erroneously certified for W. T. Taylor of W. S. Taylor are involved. The lower court granted a mandatory order for the county election officers to dissolve the injunction and the case was appealed and argued before the whole court Friday afternoon by Nat W. Halstead, for Goebel, and by Judge A. P. Humphrey and Augustus K. Wilson for Taylor. Goebel's attorneys moved to dissolve the injunction on the ground that the courts had no jurisdiction.

The decision will have an important bearing on the final settlement of the gubernatorial matter, as it is likely to embrace a full review, not only of the scope of jurisdiction of the courts, but also to the powers of the state election commission. The latter body has set no time for its meeting officially to canvass the returns, but it is understood that the meeting will be held for the purpose either Tuesday or Wednesday.

Handed Won the Case.
LEXINGTON, Nov. 25.—Through Judge Parker's decision J. S. Bradley was Friday afternoon given the custody of his 10-year-old daughter, and a case which has dragged through the courts of Kentucky and Nebraska was ended. At Louisville five years ago Bradley secured a divorce from his wife. She took their daughter and went to Omaha, Neb., where she married a man named Vickery. Bradley married again, and then, under a writ of habeas corpus, obtained the child and brought her back to Kentucky. Mrs. Vickery came here, entered a suit, and lost.

Fatal Diminution Over a Woman.
MOREHEAD, Ky., Nov. 25.—At a country dance on Christy creek, four miles east of here, at an early hour Friday morning, in a difficulty over a woman, Perry Perry shot Harris Carroll through the heart, killing him instantly. Perry fled, but was captured and lodged in jail. He figured in the flower county war during which Craig Tolliver was killed. There is talk of a mob taking Perry out, and a strong guard was around the jail Friday night.

After a Prisoner.
LEXINGTON, Ky., Nov. 25.—Chief Wilkerson, of the local detective force, let Friday afternoon for Cincinnati, to bring here for trial Rufus Flood, colored, who was arrested by Chief Deutsch's men Friday on a charge of shooting Flood was employed as a waiter in Matt Kopp's saloon, and while Mr. Kopp was out of the place \$20 was taken.

Would Refund Money.
LOUISVILLE, Ky., Nov. 25.—R. D. Edgar has written for publication a calling on friends of Adm. Dewey to join him in making contributions of \$30 each to be used in refunding donations with which the Dewey house was purchased. Edgar argues that the former contributors are causing all the grumbling because Dewey transferred his home.

Two Prisoners Released.
WILLIAMSBURG, Ky., Nov. 25.—About 2 o'clock Friday morning the calaboose at Jellico, Ky., this county, was found to be on fire and in a short time the building was consumed, together with John Gothard's saloon. John Gothard and Gravelle Sell were prisoners in the calaboose, and both were burned to death before assistance could reach them.

Battle Ship Kentucky's Silver Service.
LOUISVILLE, Ky., Nov. 25.—Word has been received from New York of the completion of the silver service for the battle ship Kentucky and a committee of prominent Kentuckians are arranging elaborate plans for its presentation at an early date. The service is said to be the finest and most costly ever presented to a battle ship.

Democratic Did Not Sign.
HANNOTON, Ky., Nov. 25.—The Nelson county election board met here Friday, in accordance with Judge Jones' mandatory order to certify the vote of Nelson county for W. S. Taylor instead of W. T. Taylor, as previously certified for, but on the advice of Goebel's attorney, Geo. S. Fulton, the two democratic commissioners refused to sign the certificates.

Noted Distillery Visited.
VERSAILLES, Ky., Nov. 25.—James H. Graham, of Frankfort, sold to L. Labrot his one half interest in the old Oscar Pepper distillery in this county, eight miles from Versailles, for \$20,000 cash. This distillery occupies the site of the distillery opened 20 years ago by Old Jim Crow, the founder of Kentucky sour mash whiskey.

Convict Given Damages.
STANFORD, Nov. 25.—James Hacker, a life prisoner from Harlan county, has been awarded \$200 damages against a railroad. While he was being brought here for safe keeping he was injured in a wreck at Rowland. He asked for \$10,000.

Washington, Nov. 25.—Postmasters were commissioned for Kentucky Friday as follows: Howard, Mason county, C. O. Jaynes; Oliveville, Lawrence county, M. V. Thompson; Olmstead, Logan county, Virgil Bailey; Stone- walk, Scott county, G. W. Hayden.

Souvenirs of Flowers for all Lady Visitors!
Everyone is cordially invited to attend this reception, 8 a. m. until 10 p. m. Wednesday, December 6th, 1899.

An intimate acquaintance with the good people of Mason and surrounding counties has taught me that "There is nothing too good for them," and I have brought to Maysville the most elegant stock of Holiday Furniture ever exhibited in any town of less than 100,000 inhabitants. In fact Eastern traveling men openly state that these goods would do credit to any city. Having spent seven months collecting this stock of novelties, during which time I have searched all of America and part of Europe, I feel that I am entitled to some consideration at your hands. Not being of a very bashful nature I have no hesitancy in asking you for what I feel is due me, namely, that you take one day off and inspect this superb stock of Holiday Furniture and Novelties. I devoted seven months to gathering these novelties to Maysville; surely you can devote one day to an inspection of them. You will find that the time will pass pleasantly; delightful music will rest and soothe you when the eyes are tired feasting upon the beautiful novelties gathered from many Eastern cities and foreign climes; sweet scented flowers will rest the mind while the tired body reclines in easy Turkish chairs; affable salesmen will answer all inquiries concerning quality and price without attempting to consummate a sale. Let it be distinctly understood that no attempt will be made to consummate a sale of any article upon this day. If you purchase it will be your own fault. No effort will be made to sell you, for this is our RECEPTION DAY, and we desire only what we ask, viz., YOUR PRESENCE.

Retrospective. A little less than two years ago we appeared in your midst with a new plan—a new method of doing business. A cynical public and indignant competitors stood amazed when we announced our intention of selling Furniture and Farm Implements for cash at one price to all and that price just 10 per cent. above what the article cost in carload lots. We hoisted our 10-per-cent.-for-cash flag and the fight was on. Competition was indignant over the fact that a stranger would dare to interfere with their old-time war profits. A cynical public doubted our integrity; friendly manufacturers doubted our ability to exist upon a profit of 10 per cent., and the battle went merrily on.

THE TRUTH IS MIGHTY AND WILL PREVAIL.

If there is a man, woman or child now today in five counties that does not know and realize that The Price Fighter is in Maysville and Brooksville selling Furniture and Machines at 10 per cent. profit I would like to have his photograph. The Price Fighter has fulfilled every promise, and defies anyone to deny this fact. Speak out now or forever afterwards hold your peace. Thanking you one and all for your many kind words said in my behalf, I remain your friend,

August Flower.

"It is a surprising fact," says Prof. Houton, "that in my travels in all parts of the world for the last ten years, I have not more people having used Green's August Flower than any other remedy, for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesmen, up for persons minding office positions, where headaches and stomachs, bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. The Saginaw river in Michigan is eighteen miles long, and on its banks have been produced 20,000,000 feet of pine boards. The Saginaw river and its tributaries empty into the Saginaw and these streams alone have yielded 13,000,000,000 feet of pine logs to satisfy the appetite of the saw mills on the river. The production of lumber reached its high-water mark in 1892 when the output was 1,011,000,000 feet. It is now a little over 200,000,000 feet annually.

INDIGESTION

Cured by Johnson's Dyspepsia Cure

I suffered over two years with indigestion and nervous dyspepsia, unable to eat or sleep. I tried several physicians and different remedies, but they only helped me for a short time. I finally decided to try Johnson's Dyspepsia Cure. I have taken three boxes, and am now feeling better than I have for two years. I have a good appetite, sleep well and have none of the symptoms of indigestion or dyspepsia, while I have gained ten pounds in weight within a couple of months. I am taking pleasure in recommending Johnson's Dyspepsia Cure where ever I can, and several of my friends are taking it with marked results. —L. A. Arnold, Clerk.
